The mission of **New England Center for Academic Success** is to improve the quality of life for children, adolescents and their families dealing with emotional, behavioral or learning difficulties.

Our goal is to provide timely access to comprehensive educational evaluations, school neuropsychological evaluations, and evidence-based mental health and academic services. New England Center for Academic Success promotes prevention, early intervention, psycho-education and individualized treatment plans that will incorporate school advocacy and IEP recommendations. One on one learning disabilities and dyslexia interventions are also provided.

Kate McGravey, Psy.D.

Doctor of Psychology in School Psychology, Certified School Psychologist, Published Author

Kate McGravey, Psy.D. specializes in children and adolescents with learning difficulties. She is a certified school psychologist in the state of Massachusetts and completed seven years of training at the Massachusetts School of Professional Psychology in order to earn her Master's, Certificate of Advanced Graduate Study, and Doctorate. She is currently completing a post-doctoral fellowship in the Manchester Essex Regional schools where she works with the special education team, therapeutic support staff, and teachers to help reach all learners. Kate has experience evaluating and counseling students ages 3-22 and enjoys helping parents and schools work together to create effective intervention plans. She has experience working with students who have Autism Spectrum Disorders, ADHD, Anxiety, Depression, Learning Disabilities, and executive functioning deficits.

Dr. McGravey has also taught courses through an affiliate of Endicott University. She enjoys teaching experienced teachers about working with students who have learning disabilities or social/emotional disorders. Additionally, Dr. McGravey has presented nationally on various issues including her doctoral project topic, educating and counseling LGBTQ students.

Jaelyn Kinsman, LEP, NCSP

Licensed Educational Psychologist, Nationally Certified School Psychologist

Jaelyn Kinsman, LEP, NCSP, is a Licensed Educational Psychologist and a Nationally Certified School Psychologist. She is studying to obtain her doctorate at the Massachusetts School of Professional Psychology in Newton, MA. She works with children, adolescents, and young adults with a variety of different psychological needs including anxiety, depression, executive dysfunction, behavioral regulation, and issues within the family context. In addition, she specializes in diagnostic clarification and differential diagnosis for complex emerging issues in children and young teens. Jaelyn has expertise in the area of early childhood development and assessment, play therapy, and treating childhood depression and anxiety. She and colleague, Dr. Kate McGravey (also employed by NECAS) have been presenting nationally-recognized research related to the field for the past 7 years. She currently practices privately as a Licensed Educational Psychologist. She is also employed by the North Reading Public School District as a Nationally Certified School Psychologist.
